Explanation of Status:

Accepted (for investigation)	Complaints which met the regulatory requirements for an investigation (40 C.F.R. Part 7) and were accepted for investigation.
Under Review (for possible investigation)	Complaints received by EPA, but for which no decision has yet been made to either reject, accept for investigation, or refer to another federal agency.
Rejected (for investigation)	Complaints received by EPA, but not accepted for investigation because they did not meet the regulatory requirements (40 C.F.R. Part 7) (e.g., no recipient of EPA financial assistance; complaint filed more than 180 days after the alleged discriminatory act).
Dismissed (after being accepted for investigation)	Complaints accepted for investigation, but later dismissed and the file closed.
